## Product Datasheet

### **FH Fumarase Mouse Monoclonal Antibody(2B11), IgG1 RBT-RA10005**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | FH Fumarase Mouse Monoclonal Antibody(2B11), IgG1                      |
| Biozol Catalog Number      | RBT-RA10005                                                            |
| Supplier Catalog Number    | RA10005                                                                |
| Alternative Catalog Number | RBT-RA10005-50,RBT-RA10005-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IF, WB                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Monoclonal                                                             |
| Molecular Weight           | Molecular Weight: 48KD. Protein MW (KDa): 50KD                         |
| Isotype                    | IgG1                                                                   |
| NCBI                       | <a href="#">2271</a>                                                   |
| UniProt                    | <a href="#">P07954</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Mouse                                                                  |
| Target                     | Antibody can detect endogenous FH proteins.                            |
| Application Dilute         | WB 1:1,000-3,000 IF 1:100-200                                          |
