## Product Datasheet

### Fibronectin Mouse Monoclonal Antibody(M9), IgG1 RBT-RA10403

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Fibronectin Mouse Monoclonal Antibody(M9), IgG1                        |
| Biozol Catalog Number      | RBT-RA10403                                                            |
| Supplier Catalog Number    | RA10403                                                                |
| Alternative Catalog Number | RBT-RA10403-50,RBT-RA10403-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human                                                                  |
| Clonality                  | Monoclonal                                                             |
| Molecular Weight           | Molecular Weight: 285KD. Protein MW (KDa): 285KD                       |
| Isotype                    | IgG1                                                                   |
| NCBI                       | <a href="#">2335</a>                                                   |
| UniProt                    | <a href="#">P02751</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Mouse                                                                  |
| Target                     | Antibody can detect endogenous Fibronectin proteins.                   |
| Application Dilute         | WB 1:1,000-2,000 IHC 1:100-200                                         |
