## Product Datasheet

### TurboGFP Mouse mAb(Mix-mA), IgG1, Monoclonal RBT-RA10410

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | TurboGFP Mouse mAb(Mix-mA), IgG1, Monoclonal                           |
| Biozol Catalog Number      | RBT-RA10410                                                            |
| Supplier Catalog Number    | RA10410                                                                |
| Alternative Catalog Number | RBT-RA10410-50,RBT-RA10410-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | WB                                                                     |
| Species Reactivity         | All                                                                    |
| Clonality                  | Monoclonal                                                             |
| Molecular Weight           | Molecular Weight: 26KD. Protein MW (KDa): ~26KD                        |
| Isotype                    | IgG1                                                                   |
| UniProt                    | <a href="#">Q6WV12</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Mouse                                                                  |
| Target                     | Antibody can detect endogenous and recombinant TurboGFP proteins.      |
| Application Dilute         | WB 1:20,000-100,000                                                    |
