## Product Datasheet

### c-Fos Rabbit Polyclonal Antibody RBT-RA20003

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | c-Fos Rabbit Polyclonal Antibody                                       |
| Biozol Catalog Number      | RBT-RA20003                                                            |
| Supplier Catalog Number    | RA20003                                                                |
| Alternative Catalog Number | RBT-RA20003-50,RBT-RA20003-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 62KD. Protein MW (KDa): 62KD                         |
| NCBI                       | <a href="#">2353</a>                                                   |
| UniProt                    | <a href="#">P01100</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous C-Fos proteins.                         |
| Application Dilute         | WB 1:1,000-2,000 IHC 1:500-1,000                                       |
