### Histone H2A(Phospho Ser129) Rabbit Polyclonal Antibody RBT-RA20039

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Histone H2A(Phospho Ser129) Rabbit Polyclonal Antibody               |
| Biozol Catalog Number      | RBT-RA20039                                                          |
| Supplier Catalog Number    | RA20039                                                              |
| Alternative Catalog Number | RBT-RA20039-50,RBT-RA20039-100                                       |
| Manufacturer               | Reed Biotech                                                         |
| Category                   | Antikörper                                                           |
| Application                | IHC, WB                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                    |
| Clonality                  | Polyclonal                                                           |
| Molecular Weight           | Molecular Weight: 14KD. Protein MW (KDa): 14KD                       |
| NCBI                       | <a href="#">8335</a>                                                 |
| UniProt                    | <a href="#">P04908</a>                                               |
| Buffer                     | Rabbit Antiserum, containing 0.02% sodium azide and 50% glycerol.    |
| Source                     | Rabbit                                                               |
| Target                     | Antibody can detect endogenous Histone H2A(Phospho Ser129) proteins. |
| Application Dilute         | WB 1:1,000-2,000 IHC 1:100-200                                       |
