### STAT3 Rabbit Polyclonal Antibody(F245) RBT-RA20179

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | STAT3 Rabbit Polyclonal Antibody(F245)                                 |
| Biozol Catalog Number      | RBT-RA20179                                                            |
| Supplier Catalog Number    | RA20179                                                                |
| Alternative Catalog Number | RBT-RA20179-50,RBT-RA20179-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human                                                                  |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 79,86KD. Protein MW (KDa): 79,86KD                   |
| NCBI                       | <a href="#">6774</a>                                                   |
| UniProt                    | <a href="#">P40763</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous STAT3 proteins.                         |
| Application Dilute         | WB 1:1,000-2,000 IHC 1:200-500                                         |
