## Product Datasheet

### **Akt2 Rabbit Polyclonal Antibody(F204) RBT-RA20181**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Akt2 Rabbit Polyclonal Antibody(F204)                                  |
| Biozol Catalog Number      | RBT-RA20181                                                            |
| Supplier Catalog Number    | RA20181                                                                |
| Alternative Catalog Number | RBT-RA20181-50,RBT-RA20181-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 60KD. Protein MW (KDa): 60KD                         |
| NCBI                       | <a href="#">208</a>                                                    |
| UniProt                    | <a href="#">P31751</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous Akt2 proteins.                          |
| Application Dilute         | WB 1:500-1,000 IHC 1:100-200                                           |
