## Product Datasheet

### GRIK2(GluR6) Rabbit Polyclonal Antibody(A240) RBT-RA20240

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | GRIK2(GluR6) Rabbit Polyclonal Antibody(A240)                          |
| Biozol Catalog Number      | RBT-RA20240                                                            |
| Supplier Catalog Number    | RA20240                                                                |
| Alternative Catalog Number | RBT-RA20240-50,RBT-RA20240-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC                                                                    |
| Species Reactivity         | Human                                                                  |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 103KD. Protein MW (KDa): 103KD                       |
| NCBI                       | <a href="#">2898</a>                                                   |
| UniProt                    | <a href="#">Q13002</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous GRIK2(GluR6) proteins.                  |
| Application Dilute         | IHC 1:100-200                                                          |
