| Manufacturer               | Nordic BioSite                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human CNTF Recombinant Protein expressed in E. coli (non-tagged).<br>Sequence domain: 1-200aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                     |
| Molecular Weight           | 22.9 kDa (200aa) confirmed by MALDI-TOF                                                                                     |
| Tag                        | Untagged                                                                                                                    |
| NCBI                       | <a href="#">1270</a>                                                                                                        |
| UniProt                    | <a href="#">P26441</a>                                                                                                      |
| Purity                     | >90%                                                                                                                        |
| Target                     | CNTF                                                                                                                        |
