| Manufacturer               | Nordic BioSite                                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                                        |
| Application                | SDS-PAGE                                                                                                                                |
| Product Description        | Human PLAC8 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-115aa. Application(s): SDS-PAGE, Denatured.... |
| Concentration              | 1 mg/ml                                                                                                                                 |
| Molecular Weight           | 14.9 kDa (138aa)                                                                                                                        |
| Tag                        | HIS Tag                                                                                                                                 |
| NCBI                       | <a href="#">51316</a>                                                                                                                   |
| UniProt                    | <a href="#">Q9NZF1</a>                                                                                                                  |
| Purity                     | >85%                                                                                                                                    |
| Target                     | PLAC8                                                                                                                                   |
