| Alternative Catalog Number | NBS-RBB-V3KRS9-500                                                                                                                                                                                                 |
| Manufacturer               | Nordic BioSite                                                                                                                                                                                                     |
| Category                   | Proteine/Peptide                                                                                                                                                                                                   |
| Application                | FA, SDS-PAGE                                                                                                                                                                                                       |
| Product Description        | Human Hexokinase 2 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-917aa. Application(s): SDS-PAGE, Enzyme Activity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 1 mg/ml                                                                                                                                                                                                            |
| Molecular Weight           | 104.5 kDa (937aa)                                                                                                                                                                                                  |
| Tag                        | HIS Tag                                                                                                                                                                                                            |
