| Alternative Catalog Number | AMO-M18249-5MG, AMO-M18249-10MG                                                                                                                                                                                          |
| Manufacturer               | Abmole Bioscience                                                                                                                                                                                                        |
| Category                   | Biochemikalien                                                                                                                                                                                                           |
| Product Description        | Quercetin 3-gentiobioside is isolated from A. iwayomogi, AR and AGE formation inhibitor, demonstrates biological activities against Aldose reductase (AR) and the formation of advanced glycation endproducts (AGEs).... |
| Molecular Weight           | 626.52                                                                                                                                                                                                                   |
| Purity                     | 99.0%                                                                                                                                                                                                                    |
| CAS Number                 | [7431-83-6]                                                                                                                                                                                                              |
| Formula                    | C27H30O17                                                                                                                                                                                                                |
| Target                     | Aldose Reductase                                                                                                                                                                                                         |
