## Product Datasheet

### D-beta-homomethionine, CAS [[75946-25-7]] AMO-M55027

|                            |                                                      |
|----------------------------|------------------------------------------------------|
| Article Name               | D-beta-homomethionine, CAS [[75946-25-7]]            |
| Biozol Catalog Number      | AMO-M55027                                           |
| Supplier Catalog Number    | M55027                                               |
| Alternative Catalog Number | AMO-M55027-50MG,AMO-M55027-100MG                     |
| Manufacturer               | Abmole Bioscience                                    |
| Category                   | Biochemikalien                                       |
| Product Description        | D-beta-homomethionine is a Methionine derivative.... |
| Molecular Weight           | 163.24                                               |
| Purity                     | 98.0%                                                |
| CAS Number                 | [75946-25-7]                                         |
| Formula                    | C6H13NO2S                                            |
| Target                     | Amino Acid Derivatives                               |
