## Product Datasheet

### **MRS 1706, CAS [[264622-53-9]] AMO-M6999**

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| Article Name               | MRS 1706, CAS [[264622-53-9]]                               |
| Biozol Catalog Number      | AMO-M6999                                                   |
| Supplier Catalog Number    | M6999                                                       |
| Alternative Catalog Number | AMO-M6999-10MG,AMO-M6999-50MG                               |
| Manufacturer               | Abmole Bioscience                                           |
| Category                   | Biochemikalien                                              |
| Product Description        | MRS 1706 is a potent and selective A 2B inverse agonist.... |
| Molecular Weight           | 503.56                                                      |
| Purity                     | >98%                                                        |
| CAS Number                 | [264622-53-9]                                               |
| Formula                    | C27H29N5O5                                                  |
| Target                     | Adenosine Receptor                                          |
