## Product Datasheet

### Anti-PIP2,7 | Plasma membrane aquaporin, N-terminal, Rabbit, Polyclonal AGR-AS22-4812

|                            |                                                                                                                      |
|----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-PIP2,7   Plasma membrane aquaporin, N-terminal, Rabbit, Polyclonal                                              |
| Biozol Catalog Number      | AGR-AS22-4812                                                                                                        |
| Supplier Catalog Number    | AS22-4812                                                                                                            |
| Alternative Catalog Number | AGR-AS22-4812                                                                                                        |
| Manufacturer               | Agrisera                                                                                                             |
| Host                       | Rabbit                                                                                                               |
| Category                   | Antikörper                                                                                                           |
| Application                | WB                                                                                                                   |
| Species Reactivity         | A. thaliana, Plant                                                                                                   |
| Immunogen                  | KLH-conjugated synthetic peptide derived from Arabidopsis thaliana N-termina of PIP2,7 UniProt:P93004,TAIR:At4g35100 |
| Clonality                  | Polyclonal                                                                                                           |
| Molecular Weight           | 29.7   kDa (due to N-terminal or C-terminal processing)                                                              |
| UniProt                    | <a href="#">P93004</a>                                                                                               |
| Purity                     | Affinity purified serum, in PBS pH 7.4                                                                               |
| Form                       | Lyophilized                                                                                                          |
| Application Dilute         | 1 : 1000 (WB)                                                                                                        |
