| Manufacturer               | MedchemExpress                                                                                                        |
| Category                   | Biochemikalien                                                                                                        |
| Product Description        | (Z,Z)-5,11-Eicosadienoic Acid Methyl Ester-d3 is the deuterium labeled (Z,Z)-5,11-Eicosadienoic Acid Methyl Ester.... |
| Molecular Weight           | 325.54                                                                                                                |
| Formula                    | C21H35D3O2                                                                                                            |
| Target                     | Isotope-Labeled Compounds                                                                                             |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                                           |
