| Category                   | Molekularbiologie                                                                                                                                                                                                                                                                          |
| Product Description        | <p>Purified Anti-Sphingosine 1-Phosphate (S1P) monoclonal antibody.<br/>Subclass: IgGk1 Source: Mouse Applications: ELISA,<br/>Immunohistochemistry, Immunocytochemistry</p> <hr/> <p>Product Background: Sphingosine 1-Phosphate (S1P) is a key<br/>component of the sphingolipid ...</p> |
| Application Notes          | Categories: Antibodies & Proteins. Related: Antibody, Lipid Binding,<br>Sphingosine 1-phosphate. Ship 1 : Shipping Temp. Ship 2: Dry Ice                                                                                                                                                   |
