| Article Name               | Recombinant Rhesus Macaque Granulocyte Colony Stimulating Factor                                             |
| Biozol Catalog Number      | APE-P1328                                                                                                    |
| Supplier Catalog Number    | P1328                                                                                                        |
| Alternative Catalog Number | APE-P1328-10UG,APE-P1328-100UG,APE-P1328-500UG                                                               |
| Manufacturer               | ApexBio                                                                                                      |
| Category                   | Proteine/Peptide                                                                                             |
| Molecular Weight           | Approximately 18.9 kDa, a single non-glycosylated polypeptide chain containing 174 amino acids.              |
| Purity                     | > 98 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 0.1 EU/μg of rRhG-CSF as determined by LAL method. |
