## Product Datasheet

### **Recombinant Murine soluble Tumor Necrosis Factor Receptor Type I/TNFRSF1A APE-P1345**

|                            |                                                                                                                         |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Murine soluble Tumor Necrosis Factor Receptor Type I/TNFRSF1A                                               |
| Biozol Catalog Number      | APE-P1345                                                                                                               |
| Supplier Catalog Number    | P1345                                                                                                                   |
| Alternative Catalog Number | APE-P1345-5UG,APE-P1345-100UG,APE-P1345-500UG                                                                           |
| Manufacturer               | ApexBio                                                                                                                 |
| Category                   | Proteine/Peptide                                                                                                        |
| Molecular Weight           | Approximately 21.1 kDa, a single non-glycosylated polypeptide chain containing 191 amino acids.                         |
| Purity                     | > 97 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 0.1 EU/μg of rMusTNF RI/TNFRSF1A as determined by LAL method. |
