| Article Name               | Recombinant Murine Protein C10/CCL6                                                                           |
| Biozol Catalog Number      | APE-P1499                                                                                                     |
| Supplier Catalog Number    | P1499                                                                                                         |
| Alternative Catalog Number | APE-P1499-10UG,APE-P1499-100UG,APE-P1499-500UG                                                                |
| Manufacturer               | ApexBio                                                                                                       |
| Category                   | Proteine/Peptide                                                                                              |
| Molecular Weight           | Approximately 10.7 kDa, a single non-glycosylated polypeptide chain containing 95 amino acids.                |
| Purity                     | > 97 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rMuC10/CCL6 as determined by LAL method. |
