| Article Name               | Recombinant Rat gamma-Interferon Inducible Protein 10/CXCL10                                                      |
| Biozol Catalog Number      | APE-P1519                                                                                                         |
| Supplier Catalog Number    | P1519                                                                                                             |
| Alternative Catalog Number | APE-P1519-5UG,APE-P1519-100UG,APE-P1519-500UG                                                                     |
| Manufacturer               | ApexBio                                                                                                           |
| Category                   | Proteine/Peptide                                                                                                  |
| Molecular Weight           | Approximately 8.7 kDa, a single non-glycosylated polypeptide chain containing 77 amino acids.                     |
| Purity                     | > 95 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rRtIP-10/CXCL10 as determined by LAL method. |
