| Article Name               | Recombinant Human Parathyroid Hormone 1-34                                                                  |
| Biozol Catalog Number      | APE-P1545                                                                                                   |
| Supplier Catalog Number    | P1545                                                                                                       |
| Alternative Catalog Number | APE-P1545-100UG,APE-P1545-500UG                                                                             |
| Manufacturer               | ApexBio                                                                                                     |
| Category                   | Proteine/Peptide                                                                                            |
| Molecular Weight           | Approximately 4.1 kDa, a single non-glycosylated polypeptide chain containing 34 amino acids.               |
| Purity                     | > 97% by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rHuPTH1-34 as determined by LAL method. |
