| Article Name               | Recombinant Human Parathyroid Hormone 7-34                                                                   |
| Biozol Catalog Number      | APE-P1546                                                                                                    |
| Supplier Catalog Number    | P1546                                                                                                        |
| Alternative Catalog Number | APE-P1546-100UG,APE-P1546-500UG                                                                              |
| Manufacturer               | ApexBio                                                                                                      |
| Category                   | Proteine/Peptide                                                                                             |
| Molecular Weight           | Approximately 3.4 kDa, a single non-glycosylated polypeptide chain containing 28 amino acids.                |
| Purity                     | > 97 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rHuPTH7-34 as determined by LAL method. |
