| Article Name               | Recombinant Human MHC Class I Polypeptide-Related Sequence A, His                                                |
| Biozol Catalog Number      | APE-P1605                                                                                                        |
| Supplier Catalog Number    | P1605                                                                                                            |
| Alternative Catalog Number | APE-P1605-10UG,APE-P1605-100UG,APE-P1605-500UG                                                                   |
| Manufacturer               | ApexBio                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                 |
| Molecular Weight           | Approximately 36.9 kDa, a single non-glycosylated polypeptide chain containing 320 amino acids.                  |
| Purity                     | > 95 % by SDS-PAGE and HPLC analyses. Endotoxin: Less than 1 EU/μg of rHuMIC-A, His as determined by LAL method. |
