| Article Name               | Recombinant Murine Desert Hedgehog Homolog Cys23IIelle                                                           |
| Biozol Catalog Number      | APE-P1636                                                                                                        |
| Supplier Catalog Number    | P1636                                                                                                            |
| Alternative Catalog Number | APE-P1636-5UG,APE-P1636-100UG,APE-P1636-500UG                                                                    |
| Manufacturer               | ApexBio                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                 |
| Molecular Weight           | Approximately 20.0 kDa, a single non-glycosylated polypeptide chain containing 177 amino acids.                  |
| Purity                     | > 98 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 0.1 EU/µg of rMuDHH C23II as determined by LAL method. |
