## Product Datasheet

### **InVivoMAb anti-mouse CTLA-4 (CD152), Clone: [UC10-4F10-11], Hamster, Monoclonal BXC-BE0032**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CTLA-4 (CD152), Clone: [UC10-4F10-11], Hamster, Monoclonal      |
| Biozol Catalog Number      | BXC-BE0032                                                                           |
| Supplier Catalog Number    | BE0032                                                                               |
| Alternative Catalog Number | BXC-BE0032-1MG,BXC-BE0032-5MG,BXC-BE0032-25MG,BXC-BE0032-50MG,BXC-BE0032-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Hamster                                                                              |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mouse CTLA-4 IgG2a fusion protein                                                    |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [UC10-4F10-11]                                                                       |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/25627654 target=_blank rel=nofollow>25627654 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 6.5, Contains no stabilizers or preservatives                                |

|                   |                                                                                             |
|-------------------|---------------------------------------------------------------------------------------------|
| Target            | CTLA-4                                                                                      |
| Application Notes | in vivo CTLA-4 neutralization, in vitro CTLA-4 neutralization, Flow cytometry, Western blot |
