## Product Datasheet

### InVivoMAb anti-mouse Ly6G, Clone: [1A8], Rat, Monoclonal BXC-BE0075-1

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse Ly6G, Clone: [1A8], Rat, Monoclonal                                 |
| Biozol Catalog Number      | BXC-BE0075-1                                                                             |
| Supplier Catalog Number    | BE0075-1                                                                                 |
| Alternative Catalog Number | BXC-BE0075-1-1MG,BXC-BE0075-1-5MG,BXC-BE0075-1-25MG,BXC-BE0075-1-50MG,BXC-BE0075-1-100MG |
| Manufacturer               | Bio X Cell                                                                               |
| Host                       | Rat                                                                                      |
| Category                   | Antikörper                                                                               |
| Species Reactivity         | Mouse                                                                                    |
| Immunogen                  | EL4J cells transfected with Ly6G                                                         |
| Clonality                  | Monoclonal                                                                               |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                |
| Clone Designation          | [1A8]                                                                                    |
| Molecular Weight           | 150 kDa                                                                                  |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/24382348 target=_blank rel=nofollow>24382348     |
| Purity                     | 95% , Determined by SDS-PAGE                                                             |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                    |
| Target                     | Ly6G                                                                                     |

|                   |                                                                                                                                                          |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | in vivo neutrophil depletion, in vivo MDSC depletion, Immunofluorescence, Immunohistochemistry (paraffin), Immunohistochemistry (frozen), Flow cytometry |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
