## Product Datasheet

### **InVivoMAb anti-mouse CXCR2 (CD182), Clone: [Cx2Mab-1], Rat, Monoclonal BXC-BE0456**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CXCR2 (CD182), Clone: [Cx2Mab-1], Rat, Monoclonal                    |
| Biozol Catalog Number      | BXC-BE0456                                                                                |
| Supplier Catalog Number    | BE0456                                                                                    |
| Alternative Catalog Number | BXC-BE0456-1MG,BXC-BE0456-5MG,BXC-BE0456-25MG,BXC-BE0456-50MG,BXC-BE0456-100MG            |
| Manufacturer               | Bio X Cell                                                                                |
| Host                       | Rat                                                                                       |
| Category                   | Antikörper                                                                                |
| Species Reactivity         | Mouse                                                                                     |
| Immunogen                  | Synthetic peptide corresponding to mouse CXCR2s N-terminal sequence - MGEFKVDKFNIEDFFSGDL |
| Clonality                  | Monoclonal                                                                                |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                 |
| Clone Designation          | [Cx2Mab-1]                                                                                |
| Molecular Weight           | 150 kDa                                                                                   |
| Purity                     | 95% , Determined by SDS-PAGE                                                              |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                     |
| Target                     | CXCR2                                                                                     |

Application Notes
