## Product Datasheet

### **InVivoPlus anti-human MHC Class I (HLA-A, HLA-B, HLA-C), Clone: [W6/32], Mouse, Monoclonal BXC-BP0079**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoPlus anti-human MHC Class I (HLA-A, HLA-B, HLA-C), Clone: [W6/32], Mouse, Monoclonal     |
| Biozol Catalog Number      | BXC-BP0079                                                                                     |
| Supplier Catalog Number    | BP0079                                                                                         |
| Alternative Catalog Number | BXC-BP0079-5MG,BXC-BP0079-25MG,BXC-BP0079-50MG,BXC-BP0079-100MG                                |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Mouse                                                                                          |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Human                                                                                          |
| Immunogen                  | Human tonsil cell membrane                                                                     |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                      |
| Clone Designation          | [W6/32]                                                                                        |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/23279566" rel="nofollow" target="_blank">23279566</a> |
| Purity                     | 95% , Determined by SDS-PAGE                                                                   |
| Formula                    | PBS, pH 6.5, Contains no stabilizers or preservatives                                          |

|                   |                   |
