## Product Datasheet

### **RecombiMAb anti-mouse VEGFR-2, Clone: [DC101-CP132], Mouse, Recombinant BXC-CP132**

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | RecombiMAb anti-mouse VEGFR-2, Clone: [DC101-CP132], Mouse, Recombinant   |
| Biozol Catalog Number      | BXC-CP132                                                                 |
| Supplier Catalog Number    | CP132                                                                     |
| Alternative Catalog Number | BXC-CP132-1MG,BXC-CP132-5MG,BXC-CP132-25MG,BXC-CP132-50MG,BXC-CP132-100MG |
| Manufacturer               | Bio X Cell                                                                |
| Host                       | Mouse                                                                     |
| Category                   | Antikörper                                                                |
| Species Reactivity         | Mouse                                                                     |
| Immunogen                  | Mouse VEGFR-2-SEAPs soluble receptor                                      |
| Clonality                  | Recombinant                                                               |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                 |
| Clone Designation          | [DC101-CP132]                                                             |
| Molecular Weight           | 150 kDa                                                                   |
| Purity                     | 95% , Determined by SDS-PAGE                                              |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                     |
| Target                     | VEGFR-2                                                                   |

|                   |                                                                                                                                                       |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | in vivo blocking of VEGF/VEGFR-2 signaling*, in vitro blocking of VEGFR signaling*, Western blot*, *Reported for the original rat IgG1 DC101 antibody |
