## Product Datasheet

**InVivoSIM anti-human amyloid-beta (Solanezumab Biosimilar), Clone:  
[Solanezumab], Monoclonal  
BXC-SIM0047**

|                            |                                                                                                             |

| Article Name               | InVivoSIM anti-human amyloid-beta (Solanezumab Biosimilar), Clone: [Solanezumab], Monoclonal                |
| Biozol Catalog Number      | BXC-SIM0047                                                                                                 |
| Supplier Catalog Number    | SIM0047                                                                                                     |
| Alternative Catalog Number | BXC-SIM0047-1MG,BXC-SIM0047-5MG,BXC-SIM0047-25MG,BXC-SIM0047-50MG,BXC-SIM0047-100MG                         |
| Manufacturer               | Bio X Cell                                                                                                  |
| Category                   | Antikörper                                                                                                  |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | Human APP Abeta, soluble monomer                                                                            |
| Clonality                  | Monoclonal                                                                                                  |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                                   |
| Clone Designation          | [Solanezumab]                                                                                               |
| Molecular Weight           | 150 kDa                                                                                                     |
| Purity                     | 95% , Determined by SDS-PAGE                                                                                |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                                       |
| Target                     | amyloid-beta                                                                                                |
| Application Notes          | in vivo functional assays, in vitro functional assays, ELISA, Western blot, Immunohistochemistry (paraffin) |
