| Article Name               | InVivoMAb anti-mouse CD4, IgG2a, Clone: [YTS 177], Rat, Monoclonal                       |
| Biozol Catalog Number      | BXC-BE0003-3-INDUSTRIAL                                                                  |
| Supplier Catalog Number    | BE0003-3                                                                                 |
| Alternative Catalog Number | BXC-BE0003-3-1MG,BXC-BE0003-3-5MG,BXC-BE0003-3-25MG,BXC-BE0003-3-50MG,BXC-BE0003-3-100MG |
| Manufacturer               | Bio X Cell                                                                               |
| Host                       | Rat                                                                                      |
| Category                   | Antikörper                                                                               |
| Species Reactivity         | Mouse                                                                                    |
| Immunogen                  | Mouse Spleen Cells                                                                       |
| Clonality                  | Monoclonal                                                                               |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                |
| Clone Designation          | [YTS 177]                                                                                |
| Molecular Weight           | 150 kDa                                                                                  |
| Isotype                    | IgG2a                                                                                    |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/26209354 target=_blank rel=nofollow>26209354     |
| Purity                     | 95% , Determined by SDS-PAGE                                                             |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                    |

|                   |                                                         |
|-------------------|---------------------------------------------------------|
| Target            | CD4                                                     |
| Application Notes | in vivo blockade of CD4+ T-cell responses, Western blot |
