## Product Datasheet

### **InVivoMAb anti-mouse IL-4, Clone: [11B11], Rat, Monoclonal BXC-BE0045-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse IL-4, Clone: [11B11], Rat, Monoclonal                           |
| Biozol Catalog Number      | BXC-BE0045-INDUSTRIAL                                                                |
| Supplier Catalog Number    | BE0045                                                                               |
| Alternative Catalog Number | BXC-BE0045-1MG,BXC-BE0045-5MG,BXC-BE0045-25MG,BXC-BE0045-50MG,BXC-BE0045-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Partially purified native mouse IL-4                                                 |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [11B11]                                                                              |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/25182274 target=_blank rel=nofollow>25182274 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Target                     | IL-4                                                                                 |

|                   |                                                                                                                                                     |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | in vivo IL-4 neutralization, in vitro IL-4 neutralization, in vivo IL-4 receptor stimulation (as a complex with IL-4), Flow cytometry, Western blot |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
