## Product Datasheet

### **RecombiMAb anti-mouse CD40L (CD154), Clone: [MR-1-CP033], Mouse, Monoclonal BXC-CP033-INDUSTRIAL**

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | RecombiMAb anti-mouse CD40L (CD154), Clone: [MR-1-CP033], Mouse, Monoclonal |
| Biozol Catalog Number      | BXC-CP033-INDUSTRIAL                                                        |
| Supplier Catalog Number    | CP033                                                                       |
| Alternative Catalog Number | BXC-CP033-1MG,BXC-CP033-5MG,BXC-CP033-25MG                                  |
| Manufacturer               | Bio X Cell                                                                  |
| Host                       | Mouse                                                                       |
| Category                   | Antikörper                                                                  |
| Species Reactivity         | Mouse                                                                       |
| Immunogen                  | Activated mouse Th1 clone D1.6                                              |
| Clonality                  | Monoclonal                                                                  |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                   |
| Clone Designation          | [MR-1-CP033]                                                                |
| Molecular Weight           | 150 kDa                                                                     |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                       |
| Purity                     | 95% , Determined by SDS-PAGE                                                |
| Form                       | Liquid                                                                      |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                       |

|                   |                                                                                                                                                                     |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target            | CD40L                                                                                                                                                               |
| Application Notes | in vivo blocking of CD40/CD40L signaling*, in vitro blocking of CD40/CD40L signaling*, Western blot*, *Reported for the original Armenian hamster IgG MR-1 antibody |
