| Article Name               | FlowMAb PE anti-mouse CD11c, IgG2, Clone: [N418], Hamster, Monoclonal                          |
| Biozol Catalog Number      | BXC-FM0038-PE-100MCG-INDUSTRIAL                                                                |
| Supplier Catalog Number    | FM0038-PE-100mcg                                                                               |
| Alternative Catalog Number | BXC-FM0038-PE-100MCG-100UG                                                                     |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Hamster                                                                                        |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | Mouse spleen dendritic cells                                                                   |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [N418]                                                                                         |
| Molecular Weight           | 150 kDa                                                                                        |
| Isotype                    | IgG2                                                                                           |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/15205352" rel="nofollow" target="_blank">15205352</a> |
| Purity                     | 95% , Determined by SDS-PAGE                                                                   |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                          |

|                   |                                                                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target            | CD11c                                                                                                                                                                             |
| Application Notes | in vivo targeting of dendritic cells, Functional assays , Flow cytometry, Immunohistochemistry (frozen), Immunohistochemistry (paraffin), Immunofluorescence, Immunoprecipitation |
