## Product Datasheet

### **InVivoSIM anti-human CD14 (Atibuclimab Biosimilar), Clone: [Atibuclimab], Human, Monoclonal BXC-SIM0061-INDUSTRIAL**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoSIM anti-human CD14 (Atibuclimab Biosimilar), Clone:<br>[Atibuclimab], Human, Monoclonal |
| Biozol Catalog Number      | BXC-SIM0061-INDUSTRIAL                                                                         |
| Supplier Catalog Number    | SIM0061                                                                                        |
| Alternative Catalog Number | BXC-SIM0061-1MG,BXC-SIM0061-5MG,BXC-SIM0061-25MG,BXC-SIM0061-50MG,BXC-SIM0061-100MG            |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Human                                                                                          |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Human, Monkey                                                                                  |
| Immunogen                  | Human CD14                                                                                     |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                      |
| Clone Designation          | [Atibuclimab]                                                                                  |
| Molecular Weight           | 150 kDa                                                                                        |
| Purity                     | 95% , Determined by SDS-PAGE                                                                   |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                          |
| Target                     | CD14                                                                                           |

|                   |                                          |
|-------------------|------------------------------------------|
| Application Notes | Functional assays, Flow cytometry, ELISA |
|-------------------|------------------------------------------|
