| Article Name               | EIF2A Mouse Monoclonal Antibody, Unconjugated                                                                |
| Biozol Catalog Number      | EKL-AMM81302                                                                                                 |
| Supplier Catalog Number    | AMM81302                                                                                                     |
| Alternative Catalog Number | EKL-AMM81302-50UL,EKL-AMM81302-100UL                                                                         |
| Manufacturer               | EnkiLife                                                                                                     |
| Host                       | Mouse                                                                                                        |
| Category                   | Antikörper                                                                                                   |
| Application                | ELISA, FC, IHC, WB                                                                                           |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                    |
| Conjugation                | Unconjugated                                                                                                 |
| Product Description        | EIF2A is a 65-kD protein that catalyzes the formation of puromycin-sensitive 80S preinitiation complexes.... |
| Clonality                  | Monoclonal                                                                                                   |
| Molecular Weight           | 65kDa                                                                                                        |
| NCBI                       | <a href="#">83939</a>                                                                                        |
| UniProt                    | <a href="#">Q9BY44</a>                                                                                       |
| Buffer                     | Purified antibody in PBS with 0.05% sodium azide.                                                            |
| Purity                     | Affinity Purification                                                                                        |
| Form                       | Liquid                                                                                                       |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | EIF2A                                                                |
| Application Dilute | WB 1:500-1:2000,IHC 1:200-1:1000,ELISA 1:5000-1:20000,FC 1:200-1:400 |
