## Product Datasheet

### Anti-CD1a Antibody, Rabbit RAY-188-11027-2

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Anti-CD1a Antibody, Rabbit                                                 |
| Biozol Catalog Number      | RAY-188-11027-2                                                            |
| Supplier Catalog Number    | 188-11027-2                                                                |
| Alternative Catalog Number | RAY-188-11027-2                                                            |
| Manufacturer               | RayBiotech                                                                 |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Species Reactivity         | Human                                                                      |
| Immunogen                  | Human CD1a protein was used as the immunogen for this CD1a antibody.       |
| Product Description        | Rabbit anti-Human CD1a Antibody...                                         |
| Concentration              | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced) and 0.05% sodium azide |
| NCBI                       | <a href="#">909</a>                                                        |
| UniProt                    | <a href="#">P06126</a>                                                     |
| Purity                     | Protein A affinity chromatography                                          |
| Application Notes          | FACS: 0.5-1ug/million cells IHC (FFPE): 0.5-1ug/ml for 30 min at RT        |
