| Species Reactivity         | Human                                                                                                                                                                             |
| Product Description        | RayBio Human IL-2 R beta (CD122) ELISA Kit for cell culture supernatants, plasma, and serum samples. Lead time: Typically ships within 1-2 business days. No Friday shipments.... |
| Range                      | 22 pg/ml - 6,000 pg/ml                                                                                                                                                            |
| Sensitivity                | 22 pg/ml                                                                                                                                                                          |
| NCBI                       | <a href="#">3560</a>                                                                                                                                                              |
| Form                       | 96-well Microplate                                                                                                                                                                |
| Samples                    | Cell Culture Supernatants, Plasma, Serum                                                                                                                                          |
| Target                     | IL-2R beta (CD122 / IL2RB)                                                                                                                                                        |
| Application Dilute         | 5-fold                                                                                                                                                                            |
| Application Notes          | Colorimetric                                                                                                                                                                      |
