## Product Datasheet

### **GSK180736A, CAS [[817194-38-0]] APE-BA4483**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | GSK180736A, CAS [[817194-38-0]]                                        |
| Biozol Catalog Number      | APE-BA4483                                                             |
| Supplier Catalog Number    | BA4483                                                                 |
| Alternative Catalog Number | APE-BA4483-5MG, APE-BA4483-10MG, APE-BA4483-25MG                       |
| Manufacturer               | ApexBio                                                                |
| Category                   | Biochemikalien                                                         |
| Product Description        | GSK180736A is a potent Rho-associated coiled-coil kinase 1 (ROCK1).... |
| Molecular Weight           | 365.36                                                                 |
| Purity                     | 99.76%                                                                 |
| Sequence                   | <chem>CC(N1)=C(C(NC2=CC=C(NN=C3)C3=C2)=O)C(C4=CC=C(F)C=C4)NC1=O</chem> |
| CAS Number                 | [817194-38-0]                                                          |
| Formula                    | C19H16FN5O2                                                            |
