| Alternative Catalog Number | BXC-CP080-1MG,BXC-CP080-5MG,BXC-CP080-25MG                                                                                                                                                                                                   |
| Manufacturer               | Bio X Cell                                                                                                                                                                                                                                   |
| Host                       | Mouse                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                   |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                        |
| Clonality                  | Recombinant                                                                                                                                                                                                                                  |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                                                                                                                                                                    |
| Clone Designation          | [C8Mab-2-CP080]                                                                                                                                                                                                                              |
| Molecular Weight           | 150 kDa                                                                                                                                                                                                                                      |
| Purity                     | 95% , Determined by SDS-PAGE                                                                                                                                                                                                                 |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                                                                                                                                                                        |
| Application Notes          | Western blot , *Flow Cytometry , *Immunofluorescence , *Reported for the original C8Mab-2 antibody. For information on in vivo applications, please contact <a href="mailto:technicalservice@bioxcell.com">technicalservice bioxcell.com</a> |
