| Product Description        | This GENLISA Rat HUWE1 (E3 Ubiquitin-Protein Ligase HUWE1) ELISA includes features like: - Ready to use protocol with break-apart wells for ease of use - Standardisation and High Reproducibility - Lot to Lot Consistency - Accuracy and Precision Valid... |
| Range                      | 0.781 - 50 ng/ml                                                                                                                                                                                                                                              |
| Sensitivity                | 0.469 ng/ml                                                                                                                                                                                                                                                   |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids.                                                                                                                                                         |
