## Product Datasheet

### **Rat IgG2a kappa anti-Mouse IgM ( $\mu$ ) (LO-MM-9)-FITC, MinX Ck,Rb,Sh,Bo,Ho,Dg,Sw,Hu,Go,Mo SYN-LO-MM-9-FITC-0.5**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | Rat IgG2a kappa anti-Mouse IgM ( $\mu$ ) (LO-MM-9)-FITC, MinX<br>Ck,Rb,Sh,Bo,Ho,Dg,Sw,Hu,Go,Mo |
| Biozol Catalog Number      | SYN-LO-MM-9-FITC-0.5                                                                           |
| Supplier Catalog Number    | LO-MM-9-FITC-0.5                                                                               |
| Alternative Catalog Number | SYN-LO-MM-9-FITC-0.5                                                                           |
| Manufacturer               | Synabs                                                                                         |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Application                | CS, ELISA, ELISpot, IA, IAC                                                                    |
| Species Reactivity         | Mouse                                                                                          |
| Conjugation                | FITC                                                                                           |
| Format                     | IgG2a                                                                                          |
| Target Specificity         | IgM ( $\mu$ )                                                                                  |
| Cross-Adsorption (MinX)    | Gallus,Rabbit,Sheep,Bovine,Equine,Canine,Porcine,Human,Goat,Monkey                             |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | 1mg/mL                                                                                         |
| Clone Designation          | [LO-MM-9]                                                                                      |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Isotype       | IgG2a kappa                                                           |
| UniProt       | <a href="#">P01872</a>                                                |
| Buffer        | PBS/0,1%NaN3/50%glycerol                                              |
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage       | -20°C                                                                 |
| Formula       | PBS/0,1%NaN3/50%glycerol                                              |
| Target        | Mouse IgM heavy chain                                                 |
| Antibody Type | Secondary Antibody                                                    |
