## Product Datasheet

### **Rat IgM kappa anti-Mouse IgG3 (Fc) (LO-MG3-7)-FITC, MinX Ck,Rb,Sh,Bo,Ho,Dg,Sw,Hu,Go,Mo SYN-LO-MG3-7-FITC-0.5**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | Rat IgM kappa anti-Mouse IgG3 (Fc) (LO-MG3-7)-FITC, MinX<br>Ck,Rb,Sh,Bo,Ho,Dg,Sw,Hu,Go,Mo |
| Biozol Catalog Number      | SYN-LO-MG3-7-FITC-0.5                                                                     |
| Supplier Catalog Number    | LO-MG3-7-FITC-0.5                                                                         |
| Alternative Catalog Number | SYN-LO-MG3-7-FITC-0.5                                                                     |
| Manufacturer               | Synabs                                                                                    |
| Host                       | Rat                                                                                       |
| Category                   | Antikörper                                                                                |
| Application                | ELISA, IA                                                                                 |
| Species Reactivity         | Mouse                                                                                     |
| Conjugation                | FITC                                                                                      |
| Format                     | IgM                                                                                       |
| Target Specificity         | IgG3 (Fc)                                                                                 |
| Cross-Adsorption (MinX)    | Gallus,Rabbit,Sheep,Bovine,Equine,Canine,Porcine,Human,Goat,Monkey                        |
| Clonality                  | Monoclonal                                                                                |
| Concentration              | 1mg/mL                                                                                    |
| Clone Designation          | [LO-MG3-7]                                                                                |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Isotype       | IgM kappa                                                             |
| UniProt       | <a href="#">P03987</a>                                                |
| Buffer        | PBS/0,1%NaN3/50%glycerol                                              |
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage       | -20°C                                                                 |
| Formula       | PBS/0,1%NaN3/50%glycerol                                              |
| Target        | Mouse IgG3 heavy chain                                                |
| Antibody Type | Secondary Antibody                                                    |
