## Product Datasheet

### Mouse IgM kappa anti-Rat IgG2a (Fc) (MARG2a-7)-unconj. SYN-MARG2A-7-P-0.5

|                            |                                                        |
|----------------------------|--------------------------------------------------------|
| Article Name               | Mouse IgM kappa anti-Rat IgG2a (Fc) (MARG2a-7)-unconj. |
| Biozol Catalog Number      | SYN-MARG2A-7-P-0.5                                     |
| Supplier Catalog Number    | MARG2a-7-P-0.5                                         |
| Alternative Catalog Number | SYN-MARG2A-7-P-0.5                                     |
| Manufacturer               | Synabs                                                 |
| Host                       | Mouse                                                  |
| Category                   | Antikörper                                             |
| Application                | ELISA, ELISpot, IA                                     |
| Species Reactivity         | Rat                                                    |
| Conjugation                | Unconjugated                                           |
| Format                     | IgM                                                    |
| Target Specificity         | IgG2a (Fc)                                             |
| Clonality                  | Monoclonal                                             |
| Concentration              | 1mg/mL                                                 |
| Clone Designation          | [MARG2a-7]                                             |
| Isotype                    | IgM kappa                                              |
| UniProt                    | <a href="#">P20760</a>                                 |
| Buffer                     | PBS/0,1%NaN3                                           |

|               |                                      |
|---------------|--------------------------------------|
| Purity        | Affinity chromatography or Protein G |
| Storage       | -20°C                                |
| Formula       | PBS/0,1%NaN3                         |
| Target        | Rat IgG2a heavy chain                |
| Antibody Type | Secondary Antibody                   |
