### Rat IgG2c kappa anti-Human IgG (Fc) (LO-hG-22)-Biotin, MinX Ck,Sh SYN-LO-HG-22-BIOT-0.5

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | Rat IgG2c kappa anti-Human IgG (Fc) (LO-hG-22)-Biotin, MinX Ck,Sh |
| Biozol Catalog Number      | SYN-LO-HG-22-BIOT-0.5                                             |
| Supplier Catalog Number    | LO-hG-22-BIOT-0.5                                                 |
| Alternative Catalog Number | SYN-LO-HG-22-BIOT-0.5                                             |
| Manufacturer               | Synabs                                                            |
| Host                       | Rat                                                               |
| Category                   | Antikörper                                                        |
| Application                | ELISA, IA, IAC                                                    |
| Species Reactivity         | Human                                                             |
| Conjugation                | Biotin                                                            |
| Format                     | IgG2a                                                             |
| Target Specificity         | IgG (Fc)                                                          |
| Cross-Adsorption (MinX)    | Gallus, Sheep                                                     |
| Clonality                  | Monoclonal                                                        |
| Concentration              | 1mg/mL                                                            |
| Clone Designation          | [LO-hG-22]                                                        |
| Isotype                    | IgG2c kappa                                                       |
| Buffer                     | PBS/0,1%NaN3/50%glycerol                                          |

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Purity        | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage       | -20°C                                                                 |
| Formula       | PBS/0,1%NaN3/50%glycerol                                              |
| Target        | Human IgG heavy chain                                                 |
| Antibody Type | Secondary Antibody                                                    |
