| Manufacturer               | MedchemExpress                                                                                   |
| Category                   | Kits/Assays                                                                                      |
| Product Description        | Phenyl beta-D-galactopyranoside can be used in glycobiology research....                         |
| Molecular Weight           | 256.25                                                                                           |
| CAS Number                 | [2818-58-8]                                                                                      |
| Formula                    | C12H16O6                                                                                         |
| Target                     | Biochemical Assay Reagents                                                                       |
| Application Notes          | MCE Product type: Biochemical Assay Reagents                                                     |
