| Alternative Catalog Number | MCE-HY-W721210-10MG,MCE-HY-W721210-100MG,MCE-HY-W721210-50MG,MCE-HY-W721210-25MG                |
| Manufacturer               | MedchemExpress                                                                                  |
| Category                   | Biochemikalien                                                                                  |
| Product Description        | Methyl 3,4-bis(methoxy-d3)benzoate is the deuterium labeled Methyl 3,4-bis(methoxy)benzoate.... |
| Molecular Weight           | 202.24                                                                                          |
| CAS Number                 | [1006717-12-9]                                                                                  |
| Formula                    | C10H6D6O4                                                                                       |
| Target                     | Isotope-Labeled Compounds                                                                       |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                     |
