## Product Datasheet

### Recombinant Yellow Fluorescent Protein, His-tagged, E. coli CRM-YFP-149

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Article Name               | Recombinant Yellow Fluorescent Protein, His-tagged, E. coli    |
| Biozol Catalog Number      | CRM-YFP-149                                                    |
| Supplier Catalog Number    | YFP-149                                                        |
| Alternative Catalog Number | CRM-YFP-149-5, CRM-YFP-149-10, CRM-YFP-149-50, CRM-YFP-149-100 |
| Manufacturer               | Creative BioMart                                               |
| Host                       | E. coli                                                        |
| Category                   | Proteine/Peptide                                               |
| Molecular Weight           | The protein has a calculated MW of 27.4 kDa.                   |
| Tag                        | His                                                            |
| Purity                     | >90%,by SDS-PAGE                                               |
| Application Notes          | For Research Use Only. Not intended for any clinical use.      |
