| Article Name               | MERTK Monoclonal Antibody, IgG2b, Clone: [16D1], Unconjugated, Mouse                |
| Biozol Catalog Number      | CSB-MA621519A0M                                                                     |
| Supplier Catalog Number    | CSB-MA621519A0m                                                                     |
| Alternative Catalog Number | CSB-MA621519A0M-100UL, CSB-MA621519A0M-50UL                                         |
| Manufacturer               | Cusabio                                                                             |
| Host                       | Mouse                                                                               |
| Category                   | Antikörper                                                                          |
| Application                | ELISA, FC, IF, WB                                                                   |
| Species Reactivity         | Human                                                                               |
| Conjugation                | Unconjugated                                                                        |
| Clonality                  | Monoclonal                                                                          |
| Clone Designation          | [16D1]                                                                              |
| Isotype                    | IgG2b                                                                               |
| UniProt                    | <a href="#">Q12866</a>                                                              |
| Buffer                     | PBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.3. -20C, Avoid freeze / thaw cycles. |
| Purity                     | >95%, Protein A purified                                                            |
| Form                       | Liquid                                                                              |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | MERTK                                                                |
| Application Dilute | Recommended dilution: WB:1:1000-1:5000, IF:1:50-1:200, FC:1:50-1:200 |
